

Ludington Lake Jump

April 13, 2019 11am

The annual Ludington Lake Jump fundraiser is in its **20th year!!** The Ludington Splash Pad is honored to have been chosen to be the beneficiary for this milestone year.

All donations, up to \$50,000, will be matched by MEDC, the public spaces community places program! So every dollar counts!!!

What is a Splash Pad?

It is a water play area, universally accessible, with ground sprays and spraying features. With no standing water, it's a safe play option even for babies and toddlers.

Why do kids want a Splash Pad?

"It's especially cool for me because I can just ride my bike down there and cool off at the Splash Pad"
-Maddy, age 8

"No matter what age you are, you'll have fun"
-Preston, age 7

"I'm looking forward to another safe, fun place for my kids to play"
-Charlotte, mom

"Sometimes you need a break from the beach"
-Landon, age 9

"It's safe for young kids"
-Allie, age 9

Help us build a splash pad by:

- Jumping in the lake
- Pledging a donation
